Dunbar Armored and U.S. Bank Work Together to Provide Commercial Customers with Advanced Credit on Funds via Dunbar Cash Manager[®] Wireless In-Store Safes

HUNT VALLEY, MD – July 26, 2011– Dunbar Armored, Inc., America’s largest independently-owned armored car services company, has announced that it will provide electronic Dunbar *Cash Manager Safes*[®] to commercial customers of U.S. Bank. This advanced wireless technology will enable U.S. Bank’s Remote Cash Deposit to issue *Advanced Credit*[®] to their commercial clients. Specifically designed to serve at the point-of-sale in cash intense fast-food restaurant, petroleum/convenience store, and retail environments, the safes are equipped with two-way digital wireless communication capabilities for fast, reliable bank crediting and automatic software upgrading that will accommodate new bills put into circulation by the Federal Reserve.

“By utilizing Dunbar *Cash Manager Safes*[®], businesses can reduce risk and improve their cash flow with faster crediting of funds while gaining timely online access to consolidated cash management reports for each of their business locations,” said Kevin R. Dunbar, President and Chief Executive Officer of Dunbar Armored. “And by eliminating trips to the bank and staying in their stores, businesses are better able to increase their productivity, decrease hourly labor and lower operating costs as well,” he added.

Anyone interested in more information about the *Cash Manager Safe*[®] program may contact Mr. Stephen Wolford, Vice President, of Dunbar Cash Management Services at:
Tel: 410-229-1766 / Email: stephen.wolford@dunbararmored.com.
