**Dunbar BankPak Deposit Bags Exceed Federal Barcode Requirements**

HUNT VALLEY, MD – November 15, 2010 – Dunbar BankPak, designer and distributor of the world’s finest security containers – a subsidiary of Dunbar Armored, Inc., America’s largest independently-owned armored car services company – has announced that its newly redesigned *ArmorPak*® bank deposit bags meet and exceed the stringent requirements of the Federal Reserve and all major financial institutions.

Made from highest-quality materials, Dunbar’s tamper-evident *ArmorPak*® security bags set a new industry standard for securely and efficiently complying with Federal regulations. Featuring two large barcodes and easy-to-read numbers, the new bags are accepted by major banks, central cash vaults, and the Federal Reserve. Dunbar’s double-closure sealing *ArmorPak*® bags with special fracture adhesive provide customers with a cost efficient solution to the latest Federal barcode requirements while effectively protecting coin and currency.

Dunbar BankPak – the industry leader in banking equipment and security supplies, is proud to serve as a ‘single-source solution’ for customers with impeccable customer service, a large, diverse product selection and hundreds of in-stock items ready to be shipped out the same day. “We work with innovative companies worldwide to develop and produce the most secure, high quality, and cost-effective security containers available,” said Dustin Gosewisch, Dunbar BankPak Vice President of Sales. “As a recognized leader and innovator in the industry, increasing our customers’ efficiency and reducing their operating costs are vital to our product design. The newly designed *ArmorPak*® bag is our flagship product in the security bag category which also includes our *VoidPak*® and *CoinPak*® bags,” he added.

Headquartered in Baltimore, Maryland with sales offices in Denver, Chicago and Boston, Dunbar BankPak has served the financial, cash-in-transit, retail and gaming industries with high-quality security products for more than two decades.
